Did You Know?

Edition 1, Volume 1 August 2021

COVID has dominated our lives for more than 18 months. We know it's a virus, but what IS it. COVID-19 is a group of viruses that infect the human body known as SARS-CoV-2. Some cases are more severe than others.

Symptoms of COVID-19 and the flu appear at different times and have some differences. With COVID-19, you may experience loss of taste or smell. COVID-19 symptoms generally appear two to 14 days after exposure. Flu symptoms usually appear about one to four days after exposure. COVID-19 appears to be more contagious and to spread more quickly than the flu. Severe illness such as lung injury is more frequent with COVID-19 than with influenza. The mortality rate also is higher with COVID-19 than the flu.

So far, more than 32 million people have had COVID-19 in the U.S. So far, more than 580,000 people have died of COVID-19 in the U.S. in 2020 and 2021.¹

So, let's do the math: 580,000/32,000,000= **.018 percent** of the people who got COVID-19 died of the virus in 2020-2021. I'm not much for math, but I know that less than 1% of the population isn't a big number. That number was grossly inflated early on to make people believe that the virus was far more deadly than it actually is. – But WHY would the government DO that.... And not just the US Government, but governments around the world? – See, now

you're asking the right questions.

But you're thinking... I saw all the caskets lined up in Italy ready to be buried in trenches because the deaths were so overwhelming, they couldn't bury them fast enough! We saw that too. We believe that was mostly for theater.

The answers read like a mystery novel that focuses on money, greed, control, and power. Sounds like a great novel, right?

But WHY??

Which brings us to Agenda 21...

Most people are unaware that one of the greatest threats to their freedom may be a United Nations program which plans to depopulate 95% of the world.

The name of this plan is Agenda 21, and it was developed by the United Nations Department of Economic and Social Affairs, Division for Sustainable Development, as part of a sustainability policy.

According to the United Nations website, Agenda 21 is a

A higher-than-usual number of cases of heart inflammation has been reported following Covid-19 vaccination, CDC says; 226 cases have occurred in people younger than age 30, but further investigation is needed to confirm...

“comprehensive plan of action to be taken globally, nationally, and locally by organizations of the United Nations system, government, and major groups, in every area in which humans have impact on the environment”.

In a nutshell, the plan calls for governments to take control of all land use and not leave any of the decision making in the hands of private property owners.

It is assumed that people are not good stewards of their land and the government will do a better job if they are in control.

Individual rights, in general, are to give way to the needs of communities as determined by the governing body.

Moreover, people should be rounded up off the land and packed into human settlements, or islands of human habitation, (Cont. on page 7)

For a while I have been receiving e-mails from a good friend who has asked me to investigate something weird about the Birth Certificates. He wanted me to take a look at them because they have certain numbers and other things printed on them that need an explanation.

When I looked at my own Birth Certificate, I noticed it was a copy of the original. So I went through old boxes and baby books that my Mom had saved before she died and found what I was looking for — my original Birth Certificate. It was brittle and yellowed with decades of age but — wow — it was NOT the original!

What I have learned since is kind of like discovering that you are part of the Matrix. It seems none of us have our original Birth Certificates — they are all copies. And the copies have a serial number on them, issued on special Bank Bond paper and authorized by “The American Bank Note Company.” Huh?

The truth is stranger than fiction. But here it is:

It seems that back in 1913 the United States was short of cash. By the end of World War I, wartime costs had depleted the treasury and there were several really bad financial panics. The country needed to print more money than it had as equity to restore confidence in the money supply and get the economy back on its feet.

When you or I need more money, we use something as collateral and go to a bank for a loan. When a country needs more money it has to go somewhere also. But in 1913 there wasn't anywhere to go. So the US created the Federal Re-

serve Act. This established a private central bank (The Federal Reserve Bank) that would regulate the amount of money the US government was allowed to borrow and put in circulation. It also would expect to be repaid, like any bank, with interest.

After only 20 years things went from bad to worse. During Franklin D. Roosevelt's presidency, in 1933, the US was unable to pay its debt. The county was bankrupt. The private banks that made up the Federal Reserve demanded their money and Roosevelt responded. He had to use the only thing left of any value to pay the banks and continue doing business with them — the citizens of our country. Us!

Exactly how all this was orchestrated is too lengthy to be addressed here, but this much

can be told. The original birth or naturalization record for every U.S. Citizen is on file in the official records in Washington, D.C. (you get to keep a copy!) and the property and assets of every living U.S. Citizen is pledged as collateral for the National Debt!

Within two weeks and three days each Certificate of Live Birth is to be filed in Washington D.C. Evidence reveals that there is even a Federal Children Department established by the Shepherd/Townsend Act of 1922 under the Department of Commerce that appears to be involved in this process in some way. Every citizen is given a number (the red number on the Birth Certificate) and each live birth is valued at from 650,000 to 750,000 Federal Reserve dollars in collateral from the Fed.

This kind of makes you feel a little different when you look at Federal Reserve Chairman, Nancy Yellen, doesn't it?

OK. Let's take a pause to look at the Birth Certificates [←]. You will see the red numbers and you will see the fact that it is, in reality, a “Bank Note.” Congratulations — you and I are commodities!

So let's look at a birth certificate:

Since the early 1960s, State governments have issued Birth Certificates to “persons” with legal fictional names using “ALL CAPS” names. This is not a lawful record of your physical birth, but rather the acknowledgement of the “birth” of the juristic, all-caps name. It may appear to be your true name, but since no proper name is ever written in all caps (either lawfully or grammatically) it does not identify who you are. The Birth Certificate is the government's self-created document of title for its new property — you and me!

(Cont. on page 3)

Names in “ALL CAPS” on Birth Certificates

The Act of 1871:

The “United States” Is a Corporation – There are Two Constitutions

Since the Act of 1871 which established the District of Columbia, we have been living under the UNITED STATES CORPORATION which is owned by certain international bankers and aristocracy of Europe and Britain. In 1871 the Congress changed the name of the original Constitution by changing ONE WORD — and that was very significant as you will read.

Some people do not understand that ONE WORD or TWO WORDS difference in any “legal” document DO make the critical difference. But, Congress has known, and does know, this and on February 21, 1871, Congress Passed an Act to provide a Government for the District of Columbia, also known as the Act of 1871.

With no constitutional authority to do so, Congress created a separate form of government for the District of Columbia, a ten-mile square parcel of land (see, Acts of the Forty-first Congress,” Section 34, Session III, chapters 61 and 62).

The act, passed when the country was weakened and financially depleted in the aftermath of the Civil War, was a strategic move by international bankers who were intent upon gaining a stranglehold on the coffers and the neck of America.

Congress cut a deal with the international bankers (the Rothschilds of London) to incur a DEBT to these bankers. These bankers were not about to lend money to a floundering nation without serious stipulations, so they devised a way to get their foot in the door of the United States.

The Act of 1871 formed a corporation called THE UNITED STATES. The corporation, OWNED by foreign interests, moved in and shoved the original Constitution into the trash. With the Act of 1871, the organic Constitution was defaced, in effect vandalized and sabotage, when the title was capitalized and the word “for” was changed to “of” in the title.

THE CONSTITUTION OF THE UNITED STATES OF AMERICA is the constitution of the incorporated UNITED STATES OF AMERICA.

It operates in an economic capacity and has been used to fool We the People into thinking it governs the Republic. It does is not!

Capitalization is NOT insignificant when referring to a legal document. This seemingly “minor” alteration has had a major impact on every subsequent generation of Americans since 1871.

What Congress did by passing the Act of 1871 was create an entirely new document,

Ulysses S. Grant, the 18th President of the United States, in office 1869 to 1877 was in office when the Act of 1871 was signed by Congress. He did not veto the bill. He was the last President of the United States **for** America.

a constitution for the government of the District of Columbia, an INCORPORATED government. This newly altered Constitution was not intended to benefit the Republic. It benefits only the corporation of the UNITED STATES OF AMERICA and operates entirely outside the original (organic) Constitution.

(Cont. on page 6)

You Don’t Own Yourself

(Cont. from page 2)

In a way, it makes us a kind of corporation whose company name is the same as our real name but written in ALL CAPS. This “corporation” then generates taxes and wealth over its lifetime and in this way repays the collateral that Uncle Sam borrowed from the Federal Reserve. [How do you define ‘bond’?]

Remember that “Bond” thing printed on the bottom of the certificate?

Birth certificates are a form of securities called “warehouse receipts.” The items included on a warehouse receipt, as described at Â§7-202 of the Uniform Commercial Code, the law which governs

commercial paper and transactions, which parallel a birth certificate are:

- the location of the warehouse where the goods are stored...(residence)
- the date of issue of the receipt.....(“Date issued”)
- the consecutive number of the receipt... (found on back or front of the certificate, usually in red numbers)
- a description of the goods or of the packages containing them... (name, sex, date of birth, etc.)
- the signature of the warehouseman, which may be made by his au-

thorized agent...(municipal clerk or state registrar’s signature).

Warehouse Receipt. “
...A warehouse receipt, which is considered a document of title, may be a negotiable instrument and is often used for financing with inventory as security.”

Editor’s Note: there are many unanswered questions as to what can be done to take back our stolen Liberties, but the story illustrates the depth of depravity and corruption we have endures undetected for years.

Birth certificates now appear to at least qualify as “warehouse receipts” under the Uniform Commercial Code.

Brandon Smith: Why Are Globalists And Governments So Desperate For 100% Vaccination Rates?

I don't think I am the only person that has noticed it – There has been a sudden deluge of covid vaccination propaganda and vaccine passport propaganda in the past month, more so than I think we have seen since the beginning of this year. I am speaking of the US in particular, but it is important to point out that in the US the establishment is still desperately clamoring for a much higher vaccination rate. In places like Europe, the UK and Australia vaccination rates are higher and governments have some people may be confused by the obvious lockstep that most nations are moving in as far as covid mandates and restrictions are concerned. How is it possible that almost all the governments on the planet are in agreement on medical totalitarianism? Well, it's rather easy to understand when you realize the majority of them are linked together through globalist institutions like the World Economic Forum, which has repeatedly called the pandemic a "perfect opportunity" to push through their plans for a "Great Reset".

The "Great Reset" is a long term ideological usurpation of what's left of individual freedom and free market economies, and its goal is the imposition of a global socialist/communist dictatorship. Globalists wrap these objectives in pretty sounding words and humanitarian sounding aspirations, but at bottom the "Reset" is about an end to liberty as we know it. This is not an exaggeration, this is reality; this is what these people desire above all else. But how to achieve such a goal?

Well, interestingly enough the WEF and the Bill And Melinda Gates Foundation described exactly how they planned to do it during a "simulation" they held in October of 2019 called "Event 201". During the event, they imagined a massive coronavirus pandemic, spread supposedly from animals to humans, which would facilitate the need for pervasive restrictions on individual liberties, national economies, as well as, the internet and social media. I'm sure it's all a coincidence, but the exact same scenario the globalists at the WEF played out during Event 201 happened in the real world only two months later.

In any case, the pandemic itself has been a boon for the globalists. We have not seen a

far reaching government power and corporate power grab since the rise of the National Socialists in Europe and the spread of communism in Russia and China almost a century ago. In fact, I would say that what humanity as a whole is facing today is much worse than what those wretched empires ever could have produced.

There is no doubt; globalist institutions and their government "partners" are the greatest beneficiaries of the covid crisis. They stand to gain ultimate social and political power if their agenda to exploit the pandemic succeeds.

That said, there are a few hang-ups in their plan, and this is why I believe we are seeing an aggressive propaganda push in recent weeks. For example, as I outlined with extensive evidence in my article 'Biden's Vaccine Strike Force Plan Stinks Of Desperation', it appears that the vaccination rate, especially in the US, is nowhere near as high as the elites would like

"Biden, Fauci and the mainstream media are force feeding the public with pro-vaccine hype that consistently contradicts the real science."

While the Biden Administration and the CDC claims an overall vaccination rate of 67%, numerous other stats including the Mayo Clinics state map numbers indicate that only four states in the US actually have a vaccination rate over 65% (for one dose or more), and the majority of states have rates around 50% or less. .

But why do they want 100% vaccination? Why are they so desperate for every single person in the world to get the mRNA jab?

After all, the average (IFR) death rate of covid is a mere 0.26% of those infected (this

is a stat that the media consistently and deliberately refuses to mention to the public). This means that 99.7% of the public is in NO danger from covid whether they are vaccinated or not.

Do the vaccines ensure better odds? Well, according to recent statistics from Massachusetts, as they report over 5100 infections and 80 deaths of fully vaccinated patients. The media keeps telling us that only the unvaccinated are dying, but this is a lie. So, what's the point of taking an experimental vaccine if the death rate of the virus is so low and the jab doesn't necessarily protect you anyway?

There is no point. The science and the stats do not support it. The vaccines can't even be credited with the decline in infections and deaths this year; the numbers plunged in January – Only 5% of the population was vaccinated by February. The only explanation for this is that the population hit herd immunity many months ago. Remember when governments said that they needed 70% herd immunity or vaccination to stop the lockdowns and mandates? The goalposts have been moved several times and the government "science" changes monthly. Now they claim herd immunity doesn't matter and demand 100% vaccination.

Why the relentless government push for total vaccine saturation? It's not saving lives, and the mandates remain regardless, so why?

What if the elites know exactly what the side effects will be? What if the vaccines are a pivotal part of their "Great Reset?"

The infertility question in particular is drawing the most fire from the establishment, and I would point out a particularly insidious narrative being implanted in the media. Whenever people question the chance of sterility caused by the vaccines, bureaucrats and media talking heads go on the attack, and then say "There's no evidence that the vaccines cause infertility, but Covid-19 might cause it..." Just watch this recent speech by the governor of Arkansas where he and his medical flunky were almost run from the podium by an angry audience for peddling the same propaganda: moved on to the vaccine passport phase of their agenda.

LETTER FROM THE EDITOR

Do you ever ask yourself how we got to this place in our collective history? Crime is at an all time high, our constitution is being dragged through the mud, our children are being enslaved and tortured, God is treated as a second-hand citizen, and that's just scratching the surface..

When our forefathers wrote our Constitution from the blood of the battlefield, they did so keeping God in the forefront of their endeavor, knowing that it was only **by the Grace of God** that they even won their Independence. They even wrote God into the Pledge of Allegiance (*One nation under*

→ The day our elected officials hid the efficacy of Hydroxychloroquine, it confirmed they would kill us to beat President Trump. Never forget the evil we are fighting.

GOD), and the Constitution knowing that his rightful place was in a land that recognized his grace in the giving of such a novel

idea of government.

Years later we let evil creep into our government, some shady deals were made, and the American people have paid the price ever since. We let politicians, parents and school boards determine that God had no place in our government or halls of education. Some folks decided that abortion rights (my body, my choice) should be the right of every woman, and God had no place here either. I have heard it said that God is a gentleman, he will leave where he is not wanted. Once we celebrated Margaret Sanger and her racist ideology of reducing the black population through abortion as they were unsavory to "our American values," we saw broken homes, lost children, marginalized families of color, and compromised education.

By so easily assigning unborn children as "clumps of cells" we denigrated the value of human life. Next came missing children on milk cartons, and child sex trafficking became a huge commodity paid for by the wealthy elite as if they were caviar and

champagne for human consumption. These kids were just bigger clumps of cells after all, used for sexual gratification, and such grotesque activities that I cannot go there in today's article.

Abortion is where it all started. When we legalized abortion, we said kids don't matter, and mark my words, God does not agree.

Matthew 18:6 - *But whoever causes one of these little ones who believe in me to sin, it would be better for him to have a great millstone fastened around his neck and to be drowned in the depth of the sea.*

Seek the truth dear patriots and do your own research. Trusting anyone in these dark times is not advisable. You will not hear the enemy say these words. **They think you are stupid.**

If we ever forget that we are One Nation Under God, then we will be a nation gone under. ~ Ronald Reagan

searching the internet

Searching the internet can be frustrating, but using a few tricks to refine your search helps. Use of AND, OR, NOT, as below can help improve your search results.

Cute AND fluffy AND dog returns results with all three search words.

Cute OR fluffy OR dog returns results with any of the search words.

Cute NOT dog returns results about cute things, but not dogs.

You can search exact phrases using quotations, eg. "cute fluffy dog"

AND if you know the exact address, as we have provided for each article, you can type that in the address box, like this:

Some search engines will use search language differently. For example, Google uses a minus (-) sign for NOT and requires that any OR operators be uppercase letters. Before searching, you can look up what operators work in the desired search engine. Google and their companies (such as YouTube) have engaged in censorship of information for quite some time. Using alternative search engines (eg. DuckDuckGo, Brave, and Tor) may yield results that are blacklisted from Google and YouTube. Alternative video streaming platforms such as Rumble, Bitchute, or Odysee will often have videos/channels that have been banned from YouTube.

Mainstream Media is not reporting the vaccine injuries and deaths because it doesn't fit the government's that narrative everyone should get vaccinated, it's Safe! and the kids are next. Updated numbers are found at <https://www.openvaers.com/covid-data>

Act of 1871 (cont. from page 3)

Instead of having absolute and unalienable rights guaranteed under the organic Constitution, we the people now have “relative” rights or privileges. One example is the Sovereign’s right to travel, which has now been transformed (under corporate government policy) into a “privilege” that requires citizens to be licensed.

By passing the Act of 1871, Congress committed TREASON against We the People who were Sovereign under the grants and decrees of the Declaration of Independence and the organic Constitution.

The Act of 1871 became the FOUNDATION of all Treason since committed by government officials.

Shared from: <http://www.federaljack.com/slavery-by-consent-the-united-states-corporation/>

And you thought it was just about an election!

If someone accused me of performing illegal and shameful acts of deceit and Treason during my election, I would want to prove my salt and clear my name. Showing my accusers that the voters chose me fair and square would be an added victory, and salt in the wound to the first victorious results released.

The censoring and closure of accounts on the web that takes away our First Amendment Rights to Free Speech given to us by God and fought for by our forefathers can only be a testament of doubt in the certified results of the election.

Those who have nothing to hide, hide nothing. So why the drama? If an elect-

ed official has to jump through these kinds of hoops with the help of Big Tech, it seems there might be PANIC setting in. God says, I am the WAY, the TRUTH, and the LIGHT. *Let the light shine on the TRUTH.*

The LORD is my shepherd; I shall not want.
He makes me to lie down in green pastures; He leads me beside the still waters.
He restores my soul; He leads me in the paths of righteousness for His name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil;
For You are with me; Your rod and Your staff, they comfort me.

You prepare a table before me in the presence of my enemies;
You anoint my head with oil; My cup runs over.
Surely goodness and mercy shall follow me All the days of my life;
And I will dwell in the house of the LORD forever.
